

Bajaj Energy Limited Announces Appointment of Mr. Narender Wadhwa as CEO

The Board of Bajaj Energy Limited is pleased to announce the appointment of Mr. Narender Wadhwa as Chief Executive Officer, effective immediately. Mr. Wadhwa will continue reporting to Mr. Vinay Kumar Singh Bankoti, Managing Director of Bajaj Power Business.

Mr. Wadhwa brings over 29 years of experience, with a proven track record in managing large thermal power plants and driving operational efficiency. He has been working with Bajaj Energy since May 2013 and was serving the company as Senior Vice President - Operations since April 2020. Prior to Bajaj Energy he worked with NTPC, Reliance Power.

This appointment not only marks a strategic move to enhance Bajaj Energy's operational excellence and sustainability efforts to further solidifying its role in powering the nation but also sets another example of a positive work culture at Bajaj Energy set by the Promoter and Chairman, Mr. Kushagra Nayan Bajaj, that values its employees and ensures to provide them with growth opportunities within the company.

With an installed capacity of 2,430 MW, Bajaj Energy remains committed to delivering reliable, efficient energy while exploring opportunities for expansion.

About Bajaj Energy Limited

Bajaj Energy is the leading thermal power generation company, part of the Indian Conglomerate Bajaj Group. It operates the largest private sector thermal power plant in Uttar Pradesh and is known for its innovative and sustainable practices lighting up millions of households in the state of Uttar Pradesh. The company has six power plants in the state with almost 2,500-megawatt combined capacity, which is more than 10% of the state's requirement of electricity. The largest unit is Lalitpur Power Generation Company (LPGCL) which is a super critical unit with an installed capacity of 1,980 Mega Watts.
